360  
DEPTH

## Property Description

LaliQue Pointe is one of Cayman's most exclusive gated subdivisions and this offering is among the last remaining undeveloped waterfront parcels. Through the elaborate and secure entry gates and restrictive covenants owners are ensured both security and security of investment. The boat lover will enjoy the included private dock and storage house in the LaliQue Pointe Marina and access to the exclusive LaliQue Pointe clubhouse. Additional amenities are the community sports court and soon to be completed tennis court. Conveniently located along the Island's prime Seven Mile Beach corridor LaliQue Pointe is only minutes away from the majority of our islands' prime restaurants, entertainment, business centers and a stone's throw from the Island's only 18 hole championship golf course, The North Sound Club.
