

SEAVIEW 102 WATERFRONT CONDO

George Town South, George Town, Cayman Islands

MLS#: 415518

US\$1,695,000

Seaview reinvented luxury living in the Cayman Islands as the first truly modern development to be constructed. And this striking condo is the largest two-bedroom offering in the entire complex. Seaview 102 offers single-story ground-floor living with breathtaking ocean views from the shaded terrace and easy access to the infinity edge pool and cabanas. With meticulously designed modern interiors and custom kitchen and bathroom millwork by Garrison Industries, this spacious floor plan feels more like a house than an apartment. And covered parking right by the front door makes life that little easier. A small and private development of only 18 residences, protected further by the restriction of short-term leasing. Pet friendly and located within walking distance to the cafes, bars and restaurants of Georgetown, Seaview 102 is perfectly situated. THE DIFFERENCE – Private ocean access to fantastic snorkelling right off the shore and Northwesterly orientation, offering truly sensational Cayman sunsets.
