9,000 SQ FT. PENTHOUSE CONDOMINIUM This spectacular penthouse condominium occupies the entire 39th & 40th floors of a premier white-glove condominium on Park Avenue and 59th Street. This impressive residence boasts 15 rooms and breathtaking 360-degree views of the Manhattan skyline and Central Park. Custom designed by the current owner, a renowned architect, the 9000 square foot home is uniquely and brilliantly laid out. The 39th floor, which has the public rooms of the apartment, is entered via a private elevator landing. The residence opens into an elegant foyer that leads to a circular gallery. Off the gallery, to the right, is the handsome library with custom paneling, a working fireplace and three sets of French doors leading to an exceptional 24 x 27 terrace that has amazing skyline and Central Park views. To the left of the gallery is the enfilade of primary entertaining rooms spanning over 60 feet, and enjoying oversized picture windows with open views towards the North, East and West. The entertainment rooms consist of a corner living room, a study with a wood-burning fireplace and an impressive corner formal dining room. Adjacent to the dining room is the butler's pantry complete with two dishwashers and a refrigerator; the pantry opens into an enormous chef's kitchen, which enjoys top-of-the-line appliances and dramatic views of the city and Central Park. The adjoining family room has ample space for casual dining and a relaxed siting area. Conveniently located off the family room is a laundry room and powder room, as well as a private staff bedroom with its own en-suite full bathroom. A large coat closet and additional powder room complete this level. The 40th floor is accessed via the custom designed staircase. Privately located down a corridor is the enormous and luxurious master suite. The suite has a Northeast facing bedroom with one of three dressing rooms, complete with custom built-ins, and a luxurious spa bath facing East. The second and third dressing rooms, as well as an additional master bathroom, are on the other side of the suite. There are four more secondary bedrooms, plus a sitting room on this floor; two of the bedrooms are corner rooms with working fireplaces. There are two more full bathrooms, two wet-bars and a laundry room on this floor. Designed by James Polshek, 500 Park Tower condominium offers the finest amenities, including full time doormen, concierge, a beautiful roof garden, and private storage. Residents enjoy living in one of the most sought after neighborhoods in Manhattan, close to the best shopping, fine dining and a short distance to Central Park.
