A very sophisticated Palm Beach Bermuda house. Beautifully restored. This 4BR/4.1BA home sits on 18 ft. of elevation on a quiet cul-de-sac street. The outdoor garden was designed by world famous landscape designer, Mario Nievera and includes exceptional outdoor lighting. The interior of the house was designed by noted interior designer, Kim Coleman. The house lends itself to entertaining with an outdoor covered loggia, a terrace overlooking the pool for outdoor dining and barbecue. This sun-filled house has both vaulted,coffered and tray ceilings throughout. Improvements include custom hurricane impact windows & doors that were installed in 2017.
