Completely renovated traditional beauty on almost a full acre in the heart of Gulf Stream. This fabulous house sits on rare high elevation across from the Ocean. Tucked away on charming Bermuda Lane, it is private, perfect and generously landscaped offering residents a tranquil setting. The light filled rooms are well proportioned and the open floor plan makes this house great for entertaining. Guest rooms are separated from the full floor master suite upstairs. Upgrades include landscaping, pool resurfacing and equipment, salt water conversion, new A/C, new summer kitchen, new water heater, NEST system, and more!
