Pre-Construction warehouse development, located on the north end of School Road in the heart of George Town. This unit number 1 will be 1,365 square feet. The warehouse will be built to the similar standards as Dade County Florida with a 150 mph hurricane rated structure, at an elevation above Ivan flood level (approx 9 ft above MSL). Each unit will have its own front roller door and single entry door. The property features security cameras, perimeter fencing, and built using fortified concrete. The units are of modern design with market leading insulation in the roof (R-30) and walls (R-22). The floor to ceiling height is 21 feet. Construction due to begin in January 2022.
